

We will be about  
***REACHING*** people with  
The Gospel...

---

...not just ***KEEPING*** people  
in places of comfort.

It's **OK** to  
not be **OK**...

---

...It's **not OK** to  
stay not **OK**.

We will be  
***Culturally Relevant***  
while remaining  
***Biblically Pure.***

---

It's not about what  
we want from you,

---

***it's about what we  
want FOR YOU.***

We will steward  
our lives well by  
***GIVING GOD  
OUR BEST***

.....  
every single day.

People matter  
to God,

---

***people matter  
to us.***

***We exist for those***  
.....  
who are not here yet.
